

NO SMOKING ! There is no smoking within 10 feet of any Timber Valley Building or Snoopys Meadow, and Happy Hill. There is No Smoking in the storage and maintenance area. Timber Valley is covered with bone dry needles, leaves, and debris from the trees. It was scary last year when cigarette butts were found in the dry grass and needles surrounding the bench in Snoopys Meadow. What if a spark had ignited that tinder. Please see that butts are disposed of only in designated places. Not handy to where you are? Carry an empty Alltoid tin. They make good pocket ash-trays. We love our home here, Please help us protect it.

Summer Seminar # 4 Fri., Aug 11, 3-4 p.m.
Healthy Living
 Physical fitness and well being" with Micheal Bochart,
 physical fitness expert,
 Silver Sneaker FLEX certified instructor.

August 15, Tuesday

- Sit & Sew 10am
- Line Dance 10 am
- Texas Hold'em 6:30 pm
- PoKeNo 6:30 pm

Timber Valley continues to have water problems.

Our water system is not aging well. Water leaks have been detected and they are being fixed but it requires shutting of the water to the park. (Taken from a post from Sue Eytallis), "Randy and crew are still working on water leaks. Today they worked on one on Art Hampton's lot. A part has been ordered for Hatch's lot and when that comes in they will once again turn off the water. I don't know exactly when but the hope is for sometime this week so we are all prepared with stashes of bottled water." Staff will try to get a warning out before the shut off but sometimes it is not possible. Be Prepared.

The Sound Crew asks that you give them at least 24 hours notice when arranging to use the microphones Keep these numbers handy.

Fred Prout. 541 521 7049

Chuck Cowles. 541 430 5388

Art Hampton. 541 315 2313

Jerry Hardy. 503 515 7412

The Balla Dears

SKP guests Wes and Wanda will be playing dance music in the meeting hall on August 12 from 4 to 5:30.

Come show them how much we appreciate them volunteering to do this for Timber Valley.

Bring snacks to share and your favorite beverage.

Summer Seminar # 5 - RVs, Firearms and Personal Safety

presented by Jeff and Barbara Russell (#129) August 18 at 3pm

Jeff and Barbara are both NRA Certified Pistol Instructors and Range Safety Officers. They have more than 1,000 hours of professional firearms training in pistol, shotgun and rifle. They are active in the Roseburg Rod and Gun Club and especially enjoy long range rifle shooting. They are avid supporters of Second Amendment rights.

Their presentation will include several aspects of self defense and personal safety relating to RV travel as well as stationary living.
