In this computerized world glitches happen. Our timbervalleymessages@gmail.com had been working so smoothly when all of a sudden it didn't. Somehow we have been labeled as SPAM and we are being blocked from sending out the notices. Frustrating. It would help if you would add timbervalleymessages@gmail.com to your contacts. Meanwhile we will be working hard to find

a way to get ourselves unlabeled as SPAM. We are much tastier than that.

Thank you! The Blue Barrow has been returned.

Thank You

Thom Hoch, of the website committee, has been working on another mass communication method. He had not planned to implement the plan just yet as it is still in a testing phase. But with the problems with our timbervalleymessages@gmail.com, now might be a good time to invite you to sign up to receive text messages on your phone or email. These will be very short text messages.

On the right hand side of the timbervalley.com web site home page, there is a blue box. It says Rainedout, Click there and follow the prompts. You can chose email or phone. It is easy. You will shortly receive a test text message. Then if an emergency message needs to go out you will receive it no matter where you are. What if you are lazing in the sun along the beautiful Colorado river and the message goes out "Power outage covers all of Sutherlin. May be days, possibly week"

Nothing you can do from down there but if you left a key with someone, they can clean that stinky fridge/freezer you left in the shed. Wouldn't that be nice.

Notice

All Chairs and Co-Chairs are asked to remain after the Board meeting on January 18. The purpose is to meet with the Budget committee and do some advance work on the budget for the 2018/2019 fiscal year.

Did you pick up the Voters Pamphlet from the Mail Room.

The special election in Oregon will be on January, 23, 2018

Read your pamphlet and use your ballots. No discussion of politics here, just a reminder that voting gives us the right to complain if we don't like the results and the right to brag if we do.

Did you check out the new website calendar. It has the latest updated info. The calendar printed with the Log has the Chapter 9 breakfast on the wrong day. It is always the second Wednesday of the month. But it was accidentally listed on the third Wednesday. And another mistake, Jacks and Jills meet on the 4th Monday of the month. Their meeting date in January is, 22 at 1pm. The web site calendar is easily updated. To find the website calendar click on Communication key, and choose Calendar from the drop down menu.
