DAYLIGHT SAVINGS TIME

Are you ready for Spring. Do you want Spring to arrive sooner. On March 11 let's all set our clocks ahead 1 hour. It is not much but every little bit helps.

Let Me Make this Perfectly Clear...

The Propane guys went to the office staff with a clear request. They made it perfectly clear. Kim passed on the request to me. She stated clearly the need of the Propane guys

What she said was that the guys need all of our propane tanks clearly marked with name and lot number. Mark them CLEARLY. Sometimes it is hard to tell one squiggle from another, Have I made myself CLEAR.....Helaine

When posting signs and flyers on the appropriate bulletin board try not to cover other posters. If possible use half size posters. It makes for a neater board and leaves space for more posters.

Did your phone ring on March 1st with a message about Spring arriving soon. It didn't? Well, then you have not signed up with Rainedout, our Timber Valley Emergency Alert System. On the right hand side of the timbervalley.skp.com site's home page there is a blue box with raindrops pictured. Follow the easy prompts. Register your phone or email or even both. From then on any important and timely message will be sent to you, like water shut off, road closed, etc. Recently a message was sent out to remind the many pcm members of a meeting. On the first of every month you will receive a test message. If you don't receive the monthly test message let Thom Hoch know.

Helaine Says...Changes are coming to the log. The log is going to become a sub committee to the Communications Committee. Starting August 1st the members of the Log Committee will be taking turns writing the log. Right now I am looking for 5 more people. With 6 members each will be responsible for 2 months of time. Do it all at once or do it one month at a time. Snow birds could handle the summers and the "stay at homes" like me, can handle the winter. There is no need to follow my format. Design your own or use a template from your word processor, as long as you include the Calendar Reminders and the small boxes that are on this page. I am willing to Chair this new committee for the first year. I have been doing the log nearly 3 years and the calendar many years more. I want to make my life easier but I don't want to dump the whole thing on someone else. Dividing it among 6 of us seems doable. It will be good to see a fresh view from new editors. I will continue with the calendar for now. If this interests you, please, call Helaine, lot 165, Phone 541-530-0635. We will meet and discuss the details.

The calendar is getting crowded. Please make sure you clear CH dates with J&J Co-Chair Mike Hilty 760 525 6672. And remember events planned by J&J or the Board of Directors pre-empts any other event. In no case will a private or unauthorized event will be allowed to run at the same time as a J&J or Board event. The exception being Executive Sessions. Some groups may have to move their meeting place.
