

TIMBER VALLEY MEMBERS' YELLOW PAGES

Thank you for using the Timber Valley Members' Yellow Pages, compiled by the park's Communications Committee. We hope it helps you get acquainted with resources in the park and our local community.

The listings in these Yellow Pages are of retail businesses and professional services trusted and used by members of the Timber Valley SKP Park of Oregon, Inc.

To gather this information, the Communications Committee periodically issues a questionnaire asking members what retail businesses and professional services they use and would recommend to others.

Please help us keep the Members' Yellow Pages up to date. If you find that a business or service has moved or closed, if a listing is incomplete, or if you'd like to add a listing, please leave a note in the Timber Valley office. Address it to the Chair of the Communications Committee, and include your name, phone number and lot number, in case we need to contact you. Contributors to the Yellow Pages are not identified.

Inclusion in the Members' Yellow Pages is not endorsement nor approval by the Timber Valley SKP Park of Oregon, inc.
