

It is time to vote

The ballots concerning the By-law changes and the Retaining Wall are due in the office by 5pm on Friday, August 13th. Any ballots arriving after 5pm will not be counted. Your vote is important. Please follow the directions that came with your ballots.

Read Study Decide Vote

The best thing about voting is it gives you the right to praise or complain about the resulting action. If you don't vote you are in effect stating loudly that you don't care about the outcome.

Caution-Fire Danger High

Douglas County has declared that the fire danger is high. Please be very careful with power tools, fire pits and the burning of weeds.

There is NO SMOKING in the storage area.
