THANK YOU FROM SUTHERLIN LIONESS WOMEN

The women of the Sutherlin Lioness Club extend their thanks to all Timber Valley residents who donated warm clothing, as well as blankets and sleeping bags for use by local homeless and needy folks. They have also extended the date for final collection of items placed in the Lions Club barrel in our dining room to Saturday, October 20th.

A REQUEST FROM OUR MAIL ROOM PERSONNEL

Our SKP office staff and the volunteers who help sort and distribute our mail are experiencing problems caused by the limited space available to them to hold and store our mail. As you all know, the mail boxes are small and even a few days' accumulated mail makes it necessary for these folks to store the mail along with packages and other items which do not fit in the boxes. This also results in them having to place cards in the box to tell you to claim your accumulated mail and that can cause delivery delays for you, as well as for them, especially on weekends.

So, they respectfully ask you to pick up your mail on a daily basis when you are in the park and also to let them know when you will be gone more than a few days and want your mail held.

CHAPTER 9 DAY TRIPS RESUME WITH FRIDAY DINNER AT TOLLY'S

Oregon Trails Chapter 9's new Assistant Vice President Terry Hilti reports that sign-ups for Friday evening's dinner at the just reopened Tolly's Restaurant have exceeded expectations, with more than 50 people already signed up. Owner Paul Tollefson worked with Terry to come up with a Bistro Menu that includes some of his parent's favorite recipes, all at very reasonable prices.

In order to assure success of these day trips for the restaurants and those who are attending, it is important that those who sign-up do show up, and stick with the menu selections listed on the sign-up sheets. I will introduce a special guest at Friday's dinner, so we look forward to seeing you there.
