Chapter 9's Annual Meeting Results Are In

By Rick DeYoung

As predicted in last month's Trailer Tracks, the 2018 Coast Rally was a big success. Co-hosts Don & Betty Bush and Jerry and Cindy Christensen did a great job, with lots of help from those members who attended. Plenty of crab was caught and cooked.

At the Saturday annual meeting, a voice vote was taken and the decision was made to return to the Odd Fellows park for our 2019 Coast Rally. Kim Cady and Teri Hilty made reservations, beginning Wednesday, September 4, 2019 through Saturday, September 7, 2019 through Saturday, September 7, 2019, departing on Sunday, September 8, 2019. Mark your calendars!

Officers for 2018-2019 were also elected by voting that included the proxy forms from some members who couldn't attend this year's Coast rally. The officers elected are shown in the

left-hand column of this issue. Chapter 9 members also voted to continue the monthly Day Trip program and Teri Hilty volunteered to work with Vice President-Wagon Master Janice Edwards on that. Teri Hilty was appointed to a new position: Assistant Vice-President.

I am very pleased to be elected to serve as Chapter president another year. Due to my wife's cancer related illness and treatments for the past year, we were unable to attend the rallies but did enjoy several Day Trips. I sincerely thank Betty Bush for ageing to serve another year as Treasurer. I want to also thank Jackie Deal for agreeing to serve as our Chapter Secretary and Becky Holm for agreeing to keep publishing our Trailer Tracks newsletter.

October Day Trip Scheduled for Fri, Oct 19, at Tolly's.

Teri Hilty has already gotten to work to resume our Day Trips and has made group reservations for us at Tolly's Restaurant, which has been closed for over a year but is set to reopen on October 6. This is a historic restaurant that goes back many years and was owned by the Tollefson family. It has a classic soda fountain and a beautiful bar and is famous for excellent food. The son of the original owners has just purchased the restaurant and is still working out the menu choices, etc.

Teri will be coordinating with Tolly's on the menu, and pricing, and it will all be

explained on a sign-up sheet which she will post in our clubhouse dining room as soon as she has sufficient information. We do typically obtain special pricing for our Day Trips, by limiting menu choices and confirming to the restaurant owner in advance how many have signed up, and for what entrees. The only problems we have had with Day Trips was the last one, in which several people switched their menu choices after getting to the restaurant, and more people showed up than had signed up. So, please do us all a favor and do sign up in advance and stick with your menu choices!

Mabel “Nusha” De Young

After a long year battling small cell carcinoma cancer and the after effects of treatments for cancer, Chapter 9 member Nusha De Young quietly went to sleep at her home in the SKP Park of Oregon, on Wednesday night, September 26 and went to be with the Lord she loved shortly after midnight. She was 78 years old and had chosen hospice care at home; she was with her husband Rick when she passed.

In January of 1977, Mabel was living in Anchorage, Alaska when she met Rick. Both were ending 20-year prior marriages. They discovered a mutual love of many things, including camping and RV travel. Rick gave Mabel the nickname, Nusha, shortly after they met. Married in Anchorage on May 12, 1978, they celebrated their 40th wedding anniversary on May 12, 2018.

Nusha and Rick first visited Timber Valley in 2000 and got on the active waiting list. From 2000 to 2007, they visited all 49 continental states and some of Canada, in their Safari

motorhome. Timber Valley has been their home since April, 2007, although from November 2013 until June 2016 they lived at Rick's mother's California home, taking care of her. They attended the 2016 Coast Rally and 2017 Elkton rally.

In August 2017 Nusha was diagnosed with a small cell carcinoma lung tumor and began simultaneous chemotherapy and radiation therapy at the Roseburg Community Cancer Center. The treatments resulted in several hospitalizations and two cancerous lesions appeared on Nusha's brain in May, 2018. On September 7, she suffered a stroke and she was again hospitalized. In accordance with her wishes, she returned to her home and began home hospice care on September 24. Her son, daughter and oldest grandson, as well as Rick's daughter Deborah, visited with her at home before she died, peacefully in her sleep on September 27.

A memorial service was held for Nusha at the Timber Valley clubhouse at 3 p.m. Friday, September 28. Over 70 people attended. A brief service was conducted by her Pastor, Stewart Fowler, with a beautiful rendition of the song Nusha had requested – In the Garden – sung by a dear friend Betsii Outland. People from the park brought cakes and made punch and everyone agreed it was a beautiful service for a beautiful lady. Becky Holm gave a unique eulogy and solicited memories from those who attended.

Funeral arrangements are by Umpqua Valley Funeral Directors

of Roseburg, and burial will occur after a short service at the Roseburg National Cemetery on Wednesday, October 3, at 2:00 p.m. Reverend Stewart Fowler will conduct that service. In lieu of flowers, the family suggests those who wish to do so make donations to the Roseburg Community Cancer Center or American Cancer Society.
