TIMBER VALLEY RESIDENTS TO SUPPORT SENIOR CENTER BUILDING FUND RAISING EVENT

Timber Valley resident Sharon Elliott (Lot 36) is a volunteer coordinator of the Sutherlin Senior Center's 2018 fund raising, to pay for improvements to the 107-year-old Senior Center building. Above is her poster for the final event of the Senior Center Board's successful fund-raising effort. She has challenged Timber Valley residents to make this fundraiser a success.

Chapter 9 has accepted Sharon's challenge and is making this event its November 2018 Day Trip. It invites all Escapes to sign up and attend with Chapter 9 members. The sign-up sheet includes additional facts, as well as a discounted price since early reservations exceed 50% of the 64 total seats available. Check it out and sign up ASAP!
