President Betty's Update

Happy Holidays to you all

As I was gathering my recipe for a traditional Thanksgiving meal I had to reflect on all the unrest in our country, people who have lost everything even loved ones and I have to be thankful for the blessings we have.

Yes, this is a very different way to spend our holiday but abide by the rules so we can all make it to the other side.

Christmas will be upon us soon and make sure to remember the children and share your good fortune—there are so many with nothing. Timber Valley is doing their part with the Sutherlin Fire Department, we can rejoice in that.

This is not a time for a cutesy story but a time to be thankful for what you have, friends, family and the many blessings we take for granted.

I wish all of you safe and Happy Holidays. Hopefully our current restrictions shall be resolved and we will be able to get together soon.

Would a fuel card come in handy??

If you travel in an RV and use diesel to power that beast you might be interested in a fuel card. You can utilize the truck lanes and insert the card in the pump without ever having to go inside.

We have been using a local company, **Tyree Oil**. They have an office in Roseburg, which is very convenient to pay the fuel invoice.

You can utilize truck stops throughout the U.S. Some examples are Loves, Pacific Pride, any CFN truck stop, Fuelman, Petro, and Pilot. I am sure you recognize 1 or more of these options. Tyree's phone is 541-687-0076

Other options for fuel cards are:

EFS RV Fuel Program 800-275-8089

(TSD Logistics)

Good Sam RV Plus Card 855-478-7587

(you do need to be a Good Sam member)

There may be other fuel cards out there, but these are the ones that I have heard good reports about.

Toys For Tots is a United States Marine Corps Reserves program, organized and ran locally by the Southern Oregon Cornhole League. We will be collecting money and toys for under privileged children.

These toys are then distributed to those families the week before Christmas. Last year, through cash donations, like yours, and fundraisers, we unfortunately fell short of our goal to raise over \$10,000. This year we hope not only to reach our goal of \$15,000 but we hope to exceed it. With that money we will distribute toys to nearly 1,427 children in Roseburg and the greater Douglas County area. That being said the number of children in need continues to grow and regrettably some children in Douglas County will still go without toys. We are setting our goals high again this year in hope to reach those children that otherwise would be left without the happiness of a present Christmas morning. Unfortunately, for our program, as for others, funds are limited and needs increased. We believe it will be difficult but we are still striving to reach our goal and are asking for a monetary donation, which would go to buy toys only!!! The Toys For Tots Program is a total non-profit organization. We'll be distributing the toys December 13th at Hucrest Elementary School and will be doing the shopping for the toys the day prior. To ensure your donation arrives on time please send your donations by December 11th. It is caring people like you that make the Toys For Tots program what it is today. Regardless of your decision the we thank you for your time and consideration.
