President Betty has a
message for us

Hi Folks, Spring has sprung and we are moving forward thru this virus. We are all feeling frustrated and bored with no activities.

Hopefully if the weather permits we will plan some sort of get together at Snoopy's park.

Suzi is back in the park and she is anxious to get photos of you and your pet family to share. Let her know and she will be glad to take your photo.

Reservations have started for Escapade 2021 in July in Wyoming. It's first come so make your plans if you want to attend.

I am just flat out of things to write about.....so if you have an interesting story or something you would like to share please let me know and we will share it for you.

So, please wear your mask, wash your hands and social distance and we will all get thru this together.

We can also start welcoming our Snowbirds back to the park. Everyone please take care, we all care about each other.

A note from the editor.....I was very happy to see that John & Suzanne Budovec submitted a photo of their pet. Thank you very much.

So, with that said. Send more please. If you do not have a photo that you like just give me a call at 541.543.5982 and I will stop by at your convenience and take a photo and get a description of your family and where you are in the park.

Can you ID these three amigos?

The first person that IDs these girls wins 2, DQ Banana Splits.

Be the first to call or drop by President Betty's place, lot 46, with the answer and you win!!!!

Fur Baby Corner **1st Submission**

Introducing **Buddy**

Adoption day in 2015. He hasn't changed as much as we have. Buddy is a rescue from the Palms Springs California area. He is a mix of Jack Russell Terrier and Chihuahua.

We are on lot 123, which we obtained in December 1999. We haven't stayed long over the past 20 years, but have park trailer as of last year and looking forward to summers at Timber Valley.
