President Betty has a
message for us.....

I can't believe how time flies by and we are stuck without any events going on. The pandemic has us as prisoners and in some other areas the weather is causing a lot of heartache. We are very thankful for what we have, our great community of friends here in Timber Valley and the United States of America, land of the free and home of the brave.

Nothing specific to report for this issue. Hope you are all staying well and taking care of each other. We are anxious to see all this end, so keep washing your hands, wear your masks and practice social distancing.

AS PLAIN AS ENGLISH LANGUAGE

By Jackie Deal and Fred Prout

We all know the English language, but do we really “no” it? Suppose we take a walk with a wok? I remember how last fall I took a fall. It wasn’t my fault, it was that deep crack in the ground. Well, (a deep subject) how could I run with a run in my stocking? Maybe we ought to go by auto, be four, we rode on a good road to the store or was it the circus?

That’s where we saw (wouldn’t cut anything) a lion who was lying (no, I’m not lying) and a bare bear. We had to flee from the flea circus so we caught a plain plane. Remember when my nice niece came from Nice? She said the snack on her flight was jerky and so was the ride.

Flew, that was before the flu, to Alaska and in the snow was written 3.1416, yes, it was the Eskimo Pi. (Thanks Fred for that one!) Ah, yes, in Alaska we heard a whale wail and a tree bark. I see ice allover. And Oh, Dear, all the deer! Just like Timber Valley, the dear deer have no fear. And the lurky turkeys; all around, round as can be. (where’s the can opener?)

I’m sure, all of U can think of more trivia. So come on, pepper (no salt) the web with your submissions (but don’t be too submissive).

Show us your fur baby

I was cruising along Highway 99 near Wilbur and all of a sudden I see a heard of Elk just sitting and enjoying the warmth of the sun. It was quite a sight to see. So if you are driving in that area look around, and you may see the Elk too.

It’s quite unique how most of us know the Timber Valley’s pet’s name before we know the owner of the pet’s name. I guess it is easier to remember a fur ball than some lady or man with gray hair walking a pet.

So, here’s your chance to put the pet with the person.

Send me a photo of you with your pet.

Include you and your pet’s name so we can put you two together.

Hello, I am **Jackson Rupert**. I am a 3 year old Bordoodle, 1/2 Border Collie and 1/2 Poodle. My Mom and Dad is **Greg & Suzi Rupert**, Lot 68.
