WHAT WILL YOU BE DOING MONDAY NIGHT?

Coming to the Halloween Party we hope! You've been reminded to wear your name tag but if you will be wearing a costume that disguises your identity, you should just bring it along to wear once you've been identified. We don't want to hamper your fun and creativity.

HAVE YOU LOST ANYTHING LATELY ?

The office is holding a nice Columbia Ladies Jacket colored lavender and purple. It had been left in a ladies restroom stall in the clubhouse a week or so ago. Please check with the office if you think it may be yours.

KEEP OUR PARK MEMBERS IN MIND

. . . as they fight illnesses, injuries and more. Newest to the list of ailing members is Jimmy Smith who suffered a ~~heart attack~~ stroke while elk hunting in Idaho. Barbara Sherman's injuries from a bad fall leave Norm home alone. Many others have been noted by cards addressed to them. Keep abreast of these dire situations and please do what you can.

ANOTHER REMINDER

November 1st is carpet cleaning day in the card room/library. There will be no access for at least 24 hours until the carpet dries completely. PCM and other volunteers will empty the room Tuesday morning to prepare for the cleaning to be done at 1 p.m. on Tuesday. Please be patient and put up with any inconvenience.
