## COME TO MOVIE NIGHT: THURSDAY JANUARY 12TH

*Please note a few* changes for Movie Night. With the short days and cold wet weather, we will start movies at 5:30. We will resume our 6:00 showing and food options as our days get longer. As always, free popcorn will be served prior to movie time.

Please join us for Thursday Movie night as we try once again to show the inspiring true story, Blind Side.

Show time is **5:30**, free popcorn at 5:00.

Michael Oher is a homeless African-American teenager who is from a broken home. Mike is taken in by the Touhys, a well-to-do white family who help him fulfill his potential. At the same time, Oher's presence in the Touhys' lives leads them to some insightful self-discoveries of their own. Living in his new environment, Mike faces a completely different set of challenges to overcome--as both a football player and student. Mike works hard and, with the help of his coaches and adopted family, becomes an All-American offensive left tackle.

o f  
have

Jessica Bachelor will be our speaker. She will tell us of her plans for the business community and how attendance at the meetings is encouraged to become informed local activities, opportunities and resources. Did you know that we, the SKP Park, been a member of the Sutherlin Chamber of Commerce for years? Plan to attend.

Every Friday hosts a social hour for our members and guests. We have a good time every week and weeks without speakers offer opportunity to get better acquainted with our neighbors. Make it a habit every Friday but please don't miss the speakers who come as a favor to us and we will most likely learn from them! See you Friday at 3.

## **HOW TO SCHEDULE A MEETING IN THE CLUBHOUSE**

- When you want to use the room.
- How long you need the room.
- Do you need a microphone.
- Additional information that is needed: A description of the event.

## **WE'RE ALL HONEST AREN'T WE?**

Over the past few weeks someone has been enjoying ice cream bars paying with IOU's rather than cash. Unfortunately these iou's have an illegible signature and no lot #. This is totally inappropriate. If you don't have the money with you, skip the ice cream treat until you do. Same goes for sodas. We are on the honor system. We must be honorable or risk losing the ice cream and sodas all together. Sorry to end this issue on a sour note. Someone surely has a good explanation. Our surveillance system could lend some clues.

*Have a Good Week!*
