COMING EVENTS

Feb. 8, the 2nd Wed of Feb, at 9 a.m. will be our breakfast at Abbys. Come and invite a friend. All are welcome.

February 17 our first "Getting To Know You" visits in Sutherlin. Join us 11:30 for lunch at Sol De Sutherlin, if you wish, then join us about 1 p.m. to visit the Radio Days Museum and Calapoia Reflections Museum.

FEBRUARY, supposedly the last month of winter. The shortest month of the year and sorta a letdown after the festivities of Christmas and New Years. But hey! How about if we make it a month of "getting to know you, getting to know all about you"?

Maybe, specifically, getting to know Sutherlin. There are many interesting stores on the main street you've probably never visited. So come join us (you don't have to be a member of Chapter 9) and let's visit two of them this month. Many thanks to Rhonda Scott who has been planning a visit to The Radio Museum and the Calapoia Reflections Museum on Central Avenue for Feb 17.. You're invited to join us for lunch at Sol De Sutherlin at 11:30. After a leisurely Mexican lunch we'll trot on over to the Calapoia Reflections Museum around 1:p.m. We'll visit it and the next door Radio Days Museum.

Most of us have lived here for years and never been inside these Central Avenue attractions.

Rhonda is also planning a second "Getting to Know You" with visits to the "Woodworking" shop and "Family and Friends". The latter is a surprising collection of goodies.

When the weather improves we'd like to make a visit to the Woodworking shop and home in the country where you can see and buy some of the marvelous creations they make. Some of us were fortunate enough to visit this a few years ago and it's a never-to-be-forgotten experience.

SPAGHETTI DINNER

Our "Betty Bush" Spaghetti Dinner was postponed due to a gas leak in the kitchen stove. Yes, folks have been complaining of smelling gas for some time but the leak was not discovered until right before Chef Denis was to prepare this year's dinner. Repairs were made but the dinner had to be postponed til the 25th.

Over 70 people enjoyed spaghetti served three different ways. Garlic bread and an apple dumpling completed the meal. Many thanks to Rhonda Scott and Ann David who worked faithfully with Chef Denis and to our "coffee and all around handy man", David Hall.

Chef Denis has also been preparing soup every Wednesday noon. So far we've had turkey noodle, split pea ham, minestrone and cream of butternut squash. Yum, Yum!
