DOGS, DOGS, DOGS AND WHAT THEY LEAVE BEHIND

Timber Valley is a great place to have a dog. Most of us really like and appreciate them. What no one likes is to come upon what they leave behind. Anyone who has been an Escapee for any length of time surely knows that a dog's owner is responsible for picking up anything their dog leaves behind.

There are no areas in this park set aside as pet potties. Wherever and whenever a pet leaves a deposit, it is its human who must pull out one of the doggie bags they should be carrying and pick up the deposit to be disposed of properly in the garbage dumpster.

Apparently this has not been clear to some as not doing it it has become a problem. Shape up dog walkers, do it right!. Size of the dog and size of the droppings make no difference. **PICK IT UP.**

CHANGES TO OUR BOARD OF DIRECTORS

A letter of resignation was received from Bev Boykin who has faithfully served her position as director. Unfortunately Bev's health has made it impossible for her to continue. We all appreciate Bev and thank her for her service to the park. We also thank Kris Gordon for stepping up to fill the vacancy and look forward to seeing her at the Board table.

PROPANE REMINDER

The office staff shouldn't have to become debt collectors. It is truly important that propene be paid for before tanks are picked up. Prepaid propane (and also electric) accounts are allowed up to \$500. per account and are actually preferred by the office. Writing one check is so much easier than a whole bunch of smaller ones. Try it, you'll like it! You'll receive a receipt in your box each time your prepaid account is drawn from indicating the remaining balance.

EMERGENCY CONTACTS

There are still some members who have not yet checked with the office to see that important names and numbers are up-to-date in their file. This must be done before March. If something unplanned should happen to you, it is imperative that the office can reach the correct persons. Don't put it off any longer. If you are out of the park, call the office to get it done. If you are here, just stop in!

NO COMMITTEE MEETINGS THIS WEEK

ANOTHER LAUNDRY ALERT

If you are using the product consisting of tiny little balls that impart a pleasant smell to your finished laundry, PLEASE DON'T USE THEM IN THE PARK'S MACHINES. It turns out that those little balls do not dissolve and they end up getting under the seals of the machines leading to trouble. Please abide by this request and all of the rest of the signage in the laundry, Thank you!

SOCIAL HOUR, FEBRUARY 24TH

This week's social hour will feature a speaker who is a Master Gardener and will provide us with an interesting program. Please be there for an intriguing hour of something new and different. If you'd like to bring snacks to share, they will be appreciated. Sharon Elliot has been busy signing up speakers on a variety of subjects that should be enjoyed by all of us. Please mark your Friday calendars with 3 to 4 p.m. reserved for social hour right here in our Timber Valley clubhouse. You'll be surprised how much you'll enjoy the experience.

DON'T MISS THE CHILLY DAY CHILI FEED

We hope you've signed up for this tasty event. Still time to decide to bring a pot of your favorite chili to be shared. Remember to bring your own spoon and your own special drink and \$\$\$.

Coffee will be available

Thursday. Feb. 23rd at 3:30 to 5:30. Give a donation of \$1 to sample 3 kinds of chili.

" \$2 for a bowl of chili

" 50¢ for a fresh baked piece of corn bread

Plan on a 50/50 drawing!
