SOCIAL HOUR MARCH 3RD AT 3 PM

Andrea Shaver, the Family Liaison for the Sutherlin Schools will be the guest speaker at our regular Social Hour. She will tell us the situations of families with children that she deals with daily. This past Christmas event at the Sutherlin Fire Department (Toys For Joy) involved Andrea as she helped identify families in need but took special care of our unhoused teenagers.

The Leo Club at Sutherlin High School is attempting to assist making food available to students who need some nourishment during school hours. Hopefully one of the Leo members will accompany Andrea. They may be selling fundraising tickets for a \$50 certificate from Cignos Italian Restaurant. Bring your dollars and help raise money for snacks. Speaking of snacks, you're invited to bring some to share during social hour.

A SUCCESSFUL CHILLY DAY CHILI FEED

We can thank Roxie Fitch for orchestrating a successful chili feed and naming it ever-so appropriately. While there we looked out the windows to see snow falling. Nearly 50 hungry people showed up to make a large dent in most of the 10 or so pots of chili. Pictures I took to compliment this article ended up spoiled by chili on the lens. It was a happy crowd and tasty event.

ARE YOU MISSING ANYTHING?

If it is keys, the office has at least a couple that have been turned in to them. If you find something the office is the place to take it and if you lose something the office is the place to look!
