### BABY BOOM IN TIMBER VALLEY

A week ago on 6/17, Rob Hendershot while preparing the Bocce Ball Court was surprised by the sight of a pair of very recently newborn baby deer. The second one scampered off and Rob marked off the area to prevent others from disturbing them further. It is the way of the doe to leave the newborns while she gets a distance away to shed the afterbirth, and then return to care for her fawns. They may look helpless but simply leave them alone, they'll be ok. It is nature's way! Twins on the right were delivered 6/18 in Veanna Fletcher's yard and were lying quietly awaiting Mama's return

### HAVE A SUPER LUNCH BY CHEF DENIS

Come and enjoy Tostada Thursday with Chef Denis on Thursday, June 29th, from 12 to 1 p.m. in the Clubhouse Dining Room! Tostadas, chips, and salsa with Flan for dessert. \$5/person donations.accepted. Sign-up sheet in Dining Room. Please be sure to sign up soon so we know how many to expect.

## HOW THE GARDEN GROWS

Phase 1 of the Timber Valley Garden is now ready for planting. Those of you who've been waiting patiently to rent a raised bed within the garden now may have that opportunity. The cost this year will be \$40, which includes the beds ready for planting; all you have to bring are the plants. There are 5 to 6 beds available during this initial offering. Depending on the number of people who are wanting to take advantage of this first offering, there may be a drawing of names to determine who will receive a bed for this year. It is now prime planting and growing season for a good Summer and Fall crop of delicious organic veggies. **If you would like to submit your name, please call Melinda Stanfield ASAP at (585) 278-4453.** The beds will be assigned **June 30th**, so get your names in now.

Development of the garden to this point is the result of a number of hard-working people and a lot of fundraising to which many individuals have contributed. A hearty pat on the back to all who have worked and donated. The Timber Valley Garden is indeed one of our Park's special assets. Funds are being raised for Phase 2 and beyond, which will include additional beds, a tool shed, perimeter beautification, graveled entrance, etc. Happy gardening and healthy eating to all!

## NEW MEMBERS GIVEN THEIR ORIENTATION

Welcome to these 7 new members of Timber Valley. Watch for individual pictures and brief bio of each in next week's issue. Their faces are on the "Our Timber Valley Family Photo Board in the clubhouse. Is Yours?
