WHAT HAPPENS IN THE CLUBHOUSE REFRIGERATORS ?

Some things get put and left in the clubhouse refrigerator without any information attached. This must change. There are labels on the front of the refrigerators which must be affixed to items being stored. Everyone is encouraged to check the contents periodically. If a label has a box checked indicating: *"Take this if you can use it."*, then please do (leaving no mess behind.) Following events there are often leftovers. Too many times they are left in the refrigerator until they have to be thrown out. Not a good thing! There are new, larger easy to fill out labels with peel & stick tape on the back of each. Please use them and feel free to take and use foods labeled with the box checked. If you are storing items for an event be extra sure you've filled out a label indicating that, and don't check the box

VOLUNTEER OPPORTUNITIES AT TIMBER VALLEY

We members all know that our park is dependent on volunteers for many things There are opportunities that are more or less long term but others that are short term such as helping to move tables and chairs in and out July 10th and 12th for the floor cleaning. Another opportunity will come up very shortly for help with preparation, serving and cleanup for the Annual Meeting Free Lunch. There is a sign-up sheet in place for this. Volunteers will help Chef Denis create and serve a great lunch. Plan to enjoy the camaraderie while serving your park alongside your fellow volunteers. Sign up now.

HAVE YOU EVER PLAYED BUNCO?

It is easy, it is fun, it is active and it is played here at Timber Valley just once a month on the second Wednesday, which will be Wednesday, July 12th this week. At 1 p.m. All Guys and Gals are welcome. Come be a part and have a fun afternoon. Please bring your own beverage and a potluck snack to share. Also bring Five one dollar bills. You may be lucky enough to leave with far more.!

THE PARK'S ANNUAL MEMBERSHIP MEETING IS NEARLY UPON US

It is important for you as a member to make every effort to be at the meeting on Tuesday, July 25th. It will start with donuts and coffee available at 8 a.m.. Registration starts at 8 a.m. and Committee Sign Up Sheets will be out and available for you to sign up for next year's committees. Hopefully each committee will have a member stationed behind their signup sheet to answer your questions and maybe twist your arm a little. You will receive a voting card with your lot number when you register. This will be used in the afternoon session when actual business takes place. You'll be able to pick up copies of bylaws, rules & regulations etc. You'll be able to purchase Boutique items, shirts hats etc. The meeting will be called to order at 10 a.m. You'll hear recaps of this past year, recall those who've passed on, new members will be introduced and original members will be honored. The Lunch Break will provide everyone with a delicious boxed lunch prepared by Chef Denis and volunteer crew. (Please sign up to be one of the volunteers.) The meeting will reconvene after lunch. The Board President will call on members for comments, concerns and motions to be made from the floor. This is when you'll use that voting card you received at registration. Any motion making a change to the by-laws requires that there be a quorum of $\frac{2}{3}$'s of our entire membership. The election committee will report whether or not the quorum has been met. Following the meeting you all will be involved in putting away the chairs, etc. and you can still sign up for committees if you hadn't done it earlier. **The important thing is to "give of yourself" this day to your Timber Valley SKP Park of Oregon.**

TIMBER DAYS (formerly called Fun Days) FILLS THE REST OF THE WEEK

A welcome new start to the new club year starts Tuesday and continues with fun and games all week until the final gathering on Friday evening. Be sure to sign up for Timber Days events and enjoy all the efforts that have gone into the special planning on behalf of all of our membership.

Let us all pull together as one
