"Blast from the Past" Movie, Thursday August 24 @ 5pm - Dining Room

"Blast from the Past" starring Brendan Fraser and Alicia Stone is an engaging romantic comedy that's charming, funny and hip. Meet Adam Webber, born and raised in a bomb shelter by his sherry-swilling mother and his mad scientist father. Adam's simple childhood has been filled with Perry Como records, the Honeymooners reruns and good old-fashioned family values. Now, 35 years later, Adam is about to emerge into a bewildering modern world in search of supplies and a simple girl from Pasadena. Instead, Adam meets Eve, a modern LA woman jaded about life and burned by love.
