3. To become an applicant on the Active Wait List (AWL), one person must be 50 years of age or older. If the applicant reaches the number one (1) position on the AWL before he/she reaches the age of 55, the available leasehold will go to the next qualified applicant on the AWL with the number one (1) applicant maintaining that position until he/she reaches the age of 55. (07/28/99; 02/17/05)

ESCAPEES NATIONAL CODE OF CONDUCT:

Timber Valley SKP Park of Oregon, Inc. has determined that all members are expected to follow and adhere to the Escapees RV Club Code of Conduct as approved on August 19, 2021 and adopted at the September 15, 2022 Open Board Meeting as described below. The Timber Valley SKP Park of Oregon, Inc. Board of Directors shall review and enforce this Code of Conduct.

Caring and sharing – that’s the philosophy of the Escapees RV Club.

Members are expected to conduct themselves respectfully and with consideration for others. We are a decades-old family of RVers. Unfortunately, even the closest families don’t always get along. To help prevent and manage conflicts, we have established a code of conduct for our members. Members may be subject to suspension or termination of membership for any of, but not limited to, the following reasons.

- Discrimination is not acceptable and will not be tolerated. This includes discrimination based on sex, race, color, nationality, ethnic or national origin, ancestry, citizenship, religion or belief, age, physical or mental disability, medical condition, sexual orientation, veteran status, marital status, genetic information or characteristics.
- Members are expected to refrain from displays of violent or abusive behavior, and to maintain control of their temper, when around other members, guests, and staff at any Escapees Park or event. This also applies in our Escapees-managed online platforms, including our discussion forum, RVNetwork.com, and our social media profiles and groups.
- Use of profane language or any behavior that is unsolicited, unwanted, and deemed harassment of a member, guests, or staff of the Escapees RV Club, at any Escapees Park or at any Escapees event.
- Delinquency, nonpayment of fees, dues, charges, or other financial obligations owed to the Escapees RV Club or any of the Escapees parks. Nonpayment of fees includes unpaid returned-check charges and bank processing fees that are not remitted upon request.
- Members are expected to follow park rules while staying at a Rainbow Park / Escapees RV Park, a SKP Co-Op Park, or any private park in our discount network. Additionally, members are expected to follow rules while attending Escapees events. This includes those set by the organizers and the venue or property where the event is taking place. We strongly recommend that members review and adhere to the industry-sanctioned Good Neighbor Policy and the RVer Boondocking Policy.
- Members should follow all reasonable requests made by park management or staff at any Escapees facility or function.
- Members should not infringe on the copyrights of, spread harmful, misleading or defaming information about others or Escapees.
- Members should refrain from discussions regarding religion, politics or other controversial topics during events, activities, facilities, functions or online communication platforms and groups bearing the Escapees name that may cause conflict with others. Our spaces should remain respectful and welcoming. There are several BoF groups within Escapees targeting specific sets of beliefs that we welcome you to join for discussion.
- Out of respect for privacy, members are not permitted to use information in the membership directory for personal gain. In addition, members are not permitted to make promotional posts or send unsolicited messages to members of our social media pages or groups. This includes chain letters, multi-level marketing, advertising and promoting other products or services.

Members or member-sponsored guests engaging in improper behavior may receive a flagged warning on their account or have their membership privileges suspended or terminated after due consideration by the Board of Directors. The Board of Directors, in its sole discretion, will interpret what is a violation of this code of conduct. Should termination occur, there will be no refund of monies paid by the member to the Escapees RV Club or any of the parks. Life members who are terminated will be

refunded the remaining balance, after prorating for the used portion of their membership, at a one-year membership dues rate.

Escapees RV Club, Rainbow Parks Inc., Escapees Rainbow Parks Unlimited, Escapees CARE Inc., and the SKP Co-Op parks are all separate corporations that serve Escapees members. Improper behavior by Escapees members in connection with any of these corporations, if properly documented and submitted to the Escapees Inc. Board of Directors, will be considered as if these actions were against Escapees Inc., its property or personnel. (09/15/22)

(09/11/03; 10/24/13)
3. Each Member is responsible for the condition of their lot and is expected to make arrangements for the care and maintenance of their lot when not in residence. The Park recommends that a pre-emergent weed inhibitor (e.g. Casoron or equivalent) be put on the lot before leaving the Park. If the lot is in need of work or repair, a notice to the Member to bring the lot up to Park Standards will be sent with a 30-day deadline notice.
