Need Teamup Advice? Come to the Clubhouse Dining Room on Monday, Nov. 27 @ 2:30 p.m. (after Jacks and Jills meeting) to learn more.

We would like to introduce you to TEAMUP. This app is an online calendar installed on your phone (or device) and contains everything that is happening in our park. View a day, week, or month of events. See who to contact about each event, plus the date and time. All you do is OPEN the app.

Ever wonder what, when, and where things are happening in our park? Maybe you struggle with cell phones, computers, and tablets. For some, even the Timber Valley website is confusing. If you are struggling with the TeamUp app, the Communications Committee would like to help you.
