"A holiday favorite for generations.... George Bailey has spent his entire life giving to the people of Bedford Falls. All that prevents rich skinflint Mr. Potter from taking over the entire town is George's modest building and loan company. But on Christmas Eve the business's \$8,000 is lost and George's troubles begin." Chuckle, chortle, and cheer as you enjoy this heartwarming classic with friends and neighbors. James Stewart at his best!
