Getting to Know Sutherlin Dog Park

At the January 26 Friday social hour Gale Peterson from the Sutherlin Dog Park gave an interesting and informative talk and slide show to Timber Valley residents.

Thanks to Sharon Elliott for inviting such interesting speakers to the park!

Football on the Clubhouse Big Screen

On Saturday January 20, Timber Valley sports fans braved the constant downpour and made it to the clubhouse to witness the thrilling back and forth Big Screen battle between San Francisco and Green Bay. Both sides fought gallantly but late in the 4th quarter an interception by San Francisco sealed the deal for a 24 - 21 9ers victory. Everyone stayed after for a speedy clean up, so the clubhouse was ready for the next use. If you have suggestions for future sporting events, contact richard@hickethier.com or 505-718-6655.

Member Notices Bulletin Board

(Condensed from Kristine Godbey article)

Have something you no longer need? Why not offer it for sale, trade or free to a fellow park member? Need some new stairs for your rig? Maybe someone in the park has a set they no longer need. Where would a good place to post these types of items be?

The Member Notice Bulletin Board in the Mailroom.

It is directly to your right when you come in the door. Opposite the mailboxes. All members are welcome to post items there, **but remember, there are specific standards that must be followed for these postings.** These standards are posted on the Bulletin Board, but many members do not follow them, resulting in their post being removed.

The standards are as follows:

- Notices are to be no larger than 4"x 6". (A supply of 3"x 5" cards are on the windowsill for your use and convenience.
- Notices must include the member's name, lot number and phone number.
- Notices must be dated the date you post it and may be left for one month.
- Notices left on the board longer than one month will be removed.
- Notices that do not comply with these standards will be removed.
