### REMEMBERING MICHELLE VAN WESTEN

Michelle Van Westen, #182, passed away last Tuesday, March 12. Michelle was an active member of the Communications Committee and an unstoppable energy on its Timber Valley Log Team, the group that edits this weekly newsletter. We miss her and will remember her fondly with every Log we issue.

David appreciates all the love and prayers he has received. A Celebration of Michelle's Life will be held Saturday, May 25, in the Clubhouse. Details later.

### FIRST DAY OF SPRING! Tuesday March 19

A sampler of sayings about this beautiful time of year:

- When the dandelions bloom early in spring, there will be a short season. When they bloom late, expect a dry summer.
- Bluebirds are a sign of spring. Warm weather and gentle breezes they bring.
- Don't say that spring has come until you can put your foot on nine daisies.
- This is Oregon. Keep your raincoat handy until summer.
- In spring, no one thinks of the snow that fell last year.
- One swallow does not make a spring.
