COMMITTEE REMINDERS

Monday March 4 @ 1 pm - PCM - Dining Room

Thursday March 7 @ 10am - Communications - Card Room

☼ March Sunshine is Cathey Johnson - Lot #15 - 541 459 3767 ☼

POTLUCK Monday March 4 @ 5pm - Dining Room

Another fun gathering at our monthly Potluck! Come for an evening of great food, great company, and the best shared stories you've heard yet. Bring a dish to share, your own utensils and beverage. Wash up not available, so plan to take everything home.

CHEF DENIS' LUNCH Wednesday March 6 @ Noon - Dining Room

Be here for Denis' bueno tostados, chips and salsa, plus churros for dessert. A festive warm meal on a cold day. Sign up in the Dining Room, bring \$5 donation and your utensils.

How much water do we use?

Are you aware that a small team of Timber Valley members monitors our water use? Special technology allows us to record daily use amounts, numbers that go back more than five years. This data has been invaluable in getting early warnings on large leaks, saving us many dollars in wasted water. It has also been used to demonstrate to the city that much of our summer high water use is irrigation, again saving us many dollars. The city of Sutherlin so appreciates our data that they use it to cross-check their meter reader accuracy.

Our water use is logged in a graph on our Website every week. This graph shows our current use and compares it with use during the same period the previous three years. It's on the Members Only page. Scroll down to find it and check it out. Good, interesting information.

Log Volunteers Welcome

When you attend an event, snap a few photos and email them to tvlog@timbervalleyskp.com. If there's room, we'd love to print them in the Log. We also welcome volunteer editors for the weekly newsletter. Log Team members switch editing every month, so the content is always new and fun to manage. Email tvlog@timbervalleyskp.com if you'd like information about joining the team.

Hummingbird and Friends Block Party

Last week's Hummingbird Block Party in the Clubhouse Dining Room was a blast! Seventeen members and renters enjoyed Abby's pizza, beer, wine, and delicious snacks while sharing tips and demonstrating emergency preparedness gear.

Sharon shared her expertly organized Go Bag, with items grouped in ziplock bags for easy identification and access. Her Lifestraw and Lifestraw Pitcher were a huge success, along with Rachael's portable solar cooker. Rashanna shared a stainless steel water bottle that allows water to be repurposed for drinking, a Kelly Kettle developed in 19th Century Ireland and still sold today by the Kelly family business, portable oxygen canisters, and more. We distributed copies of the Hummingbird phone tree for emergency use and reminded party-goers to sign up for Sutherlin alerts via Nixle and Timber Valley alerts via RainedOut.

It was a perfect blend of good food and drinks, education and community bonding!
