Movie Night “The Lincoln Lawyer” - Thursday May 23 @ 5pm - Dining Room

Mick Haller (Matthew McConaughey) is a charismatic defense attorney who does business out of his Lincoln Continental sedan. Mick spends most of his time defending petty crooks and other bottom-feeders, so it comes as quite a surprise when he lands the case of a lifetime: defending a Beverly Hills playboy (Ryan Phillippe) who is accused of attempted murder. However, what Mick initially thinks is an open-and-shut case with a big monetary reward develops into something more sinister.

Free popcorn! Cartoons @ 5pm, movie begins @ 5:30pm

🎤 **Social Hour - Friday May 24 @ 3pm - Dining Room** 🎤

Join us Friday afternoon for wine and bring snacks to share! Speaker Mike Nickel, who lives on lot 206, will be showing baskets made from Yellow Pine needles he gleans during the winter.

🎤 **Celebration of Life for Michelle Van Westen - Saturday May 25 @ 1pm - Dining Room** 🎤

There will be a Celebration of Life for Michelle in the Clubhouse 1pm - 3pm. Join David Van Westen, family, and friends for the afternoon of sharing, photos, memories and finger foods. Please sign up in the Clubhouse.

****** Timber Valley Yard Sale – Saturday June 8 ******

Time to clean out your sheds - the Sutherlin Citywide Yard Sale is scheduled for Saturday, June 8th, and Timber Valley will join in. The Garden Group is organizing the sale this year and will distribute maps at the park entrance by the bake sale tent. Please sign up in the dining room by Thursday, June 6th, so your lot can be marked on the maps. The cost is \$5.00 to defray the advertising in the News Review and the Umpqua Shopper.

If you have “stuff” you want to get rid of, but don’t want to participate in the yard sale, the Garden Group will gladly take it off your hands to put it in its sale at Jill’s Lot 68. Contact Jill (815-218-6178) and it will be picked up. Those who like to bake – contributions to the bake sale are appreciated. Contact Jill.

In Case You Missed It: Last Tuesday’s Emergency Prep Speaker - Rob Rippy, the District Manager for Sutherlin Water Control District

Rob informed of us plans for the rehabilitation of both Cooper Creek and Plat I Reservoir, stating that both reservoirs are well-built, well-maintained, and in excellent condition. Cooper Creek Reservoir (which drains into Cooper Creek) serves recreation, drinking water, and flood control needs. Plat I (which drains into Sutherlin Creek) serves flood control, recreation, and irrigation needs. Sharon asked about mercury pollution, and Rob informed us that it is not an issue in Cooper Creek but that mercury and arsenic are found in Plat I from left-over mining materials.

Initial efforts for the rehabilitation process at Cooper Creek will focus on the first 200 yards from the base of the dam and improve shortcomings in the spillway (through either sectional repair or entire replacement). Maintaining the drinking water supply remains the top priority throughout the rehabilitation period. Recreational activities including boating may be temporarily impacted.

To our great relief, we learned that seismic analysis indicates that Cooper Creek dam can withstand a 9.3 earthquake with some expected settling but without catastrophic failure.

In Case You Missed It: Last Friday’s Social Hour Speaker - Dan Bertram

Dan is the owner of the old bank building at the corner of Central and North State Street and was honored at the First Citizen Banquet as “Man of the Year!” He updated us on upcoming City of Sutherlin developments including Grocery Outlet (finally, an alternative to Shop Smart/Rays!), whiskey-tequila bar, miniature golf, and a tap house with axe-throwing!
