Garden Celebration: A Fried Green Tomato Lunch and Movie

Saturday August 17 @ 1pm * Dining Room * Suggested donation \$5 to support the garden.

Members are invited to join the Garden Group at their Garden Celebration Event! Lunch at 1pm is their treat: fried green tomatoes, fried zucchini chips and other goodies from the garden, along with chicken sliders and a yummy dessert from Chef Denis. The beloved 1991 movie, Fried Green Tomatoes, is scheduled for the 2 pm matinee with traditional popcorn. A basket full of our fresh garden produce will be raffled, so bring cash and your good luck. A fun time to appreciate and enjoy the Garden and those who make it happen.

Carol Hamby, a founder and long-time member of Timber Valley, died at her home in Las Vegas on August 6, 2024. She and JW lived on Lot 99 from September 1988 until they moved from the Park in July 2023. Cards for JW can be given to Peggy Russell, #10.

Fire alert update: Mike Hilty reminds us that our fire alert level has been lowered to High. Cutting, trimming, mowing or using power machinery is limited to before 10 am or after 8 pm. Thanks, Mike!

Rules and Regs Reminder: Any propane cylinder outside the rig (maximum size 30 gallons) must be anchored so it cannot fall. *[R&R Section 1.3 (1/8/92; 3/13/14) 5/16/2024]* A tank accidentally knocked over can break the valve and become a dangerous, destructive torpedo. Anchor your tank securely so this won't happen. Consult the Park Manager if you have questions.
