Considering a new exercise regime? Terry Brock, from Body Shop Total Fitness, 121 W Central, will give us a great introduction to exercise and its importance in our lives. And a super bonus: His discussion will cover our Park's exercise equipment and guidelines on how to use it. If you're thinking about exercise over the cool seasons coming up, our own exercise area in the Clubhouse beckons.

Dick Rauscher: Timber Valley was saddened by the death of Dick Rauscher #2 on August 20. Dick was a counselor who developed and facilitated both the Timber Valley Support Group and the Weather Intensification Group. Melinda will continue her many activities at Timber Valley.

And the Cottonwood work begins!

Cottonwood neighbors are both pleased and a bit inconvenienced by the construction begun on their thoroughfare. Marc Stalnaker snapped this early shot on August 22, shortly after the old asphalt had been removed.

Thanks, Marc!

Labor Day Celebration coming up!

Watch for details in the September 1 Log and on announcements posted on Park bulletin boards. Golf cart races, games and Timber Valley's traditional Labor Day dinner. A great way to celebrate and honor American workers.

Rules and Regs Reminder: "Each Member is responsible for the condition of their lot and is expected to make arrangements for the care and maintenance of their lot when not in residence. The Park recommends that a pre-emergent weed inhibitor (e.g. Casoron or equivalent) be put on the lot before leaving the Park. ..." (Lot Improvement #3, 12/13/18)
