### *It's not over until you .....* **Cancel your room reservation!**

Committee chairs, co-chairs and event planners, take note: If you cancel your meeting or activity, remember to cancel your room reservation as well.

If an unwanted reservation is not cancelled, the reservation remains active in our online calendar, where it is accessed by Log Team editors, Reader Board organizers, and members. If it is not cancelled, it can become a notice in the newsletter, a listing on the Reader Board, and an empty room for members seeking a meeting. It also makes the room unavailable to others who might use it.

If you cancel a meeting or activity, be sure to cancel it on TeamUp too, as soon as possible. Forms for changing reservations are available on the website, and are easy and quick to complete. Please help keep our reservations calendar current and accurate. Thank you!

### **What's wrong with this picture?**

Randy recently salvaged this lawn furniture from the burn pile, prompting this reminder that anything added to the burn pile must actually burn. That means fresh scrap wood, weathered wood, or trimmings from bushes or hedges. Do not leave metal (like the swing in this picture), plastics, tires, batteries (car, RV or household), or anything explosive. Take these items to Sutherlin Sanitary Services when appropriate, recycle them or discard them responsibly. If you have questions about the burn pile, check with the park office. The office also has a complete list of recycling locations they'll be glad to share.

### **Helen Schrader**

Celebrate Helen Schrader's life at 11 am Saturday, October 19, at the Calapooia Free Methodist Church, 333 Church Road in Sutherlin. 541-459-2557.

**October Sunshine** is Karen Hofferber, Lot #49, phone 503-784-8638.
