In Case You Missed It: Last Tuesday's Weather!

Last Tuesday we experienced strong wind gusts that caught many of us by surprise. While the winds have since calmed, they serve as a reminder of how quickly weather can change and how important it is to be prepared for emergencies. High winds can lead to power outages, fallen trees, and other unexpected disruptions. How can we better prepare for emergencies? See below!

🌟 ****Join the Emergency Preparedness Committee – Your Involvement Matters!**** 🌟

We invite all Timber Valley members and renters to join the park's Emergency Preparedness Committee meetings and get involved in ensuring the safety and well-being of our community. This is a great opportunity to learn about our emergency plans, share your thoughts on improving safety measures, and work together to create a stronger, more prepared community.

City of Sutherlin Emergency Manager Liaison Dick Shanahan serves as Committee Chair and brings a wealth of expertise and excitement to our group. Come join us and share your ideas! Your participation can make a real difference in how we respond to unexpected events and natural disasters (wildfires, earthquakes, severe winter storms, etc.). Together, we can build a network of support that keeps everyone informed and ready.

Date & Time: Second Tuesday of each month @ 10am

Next meeting **December 10 @ 10am**

Location: Clubhouse Big Room

Other ways to participate:

Join the Weekly Radio Roll Call Mondays @ 4pm on FRS/GMRS Channel 6!

Get out your walkie talkie and tune in to Channel 6! The Block Captains and Co-Captains report member and renter counts for each block, and then any other members and renters are invited to check in (simply state your first name and lot number, and GMRS call sign if you have one). It's a great way to practice your radio and communication skills and learn about upcoming events in the park.

If you don't want to check in, you can just listen in! You can participate in the comfort of your own rig, or come up to Clubhouse Dining Room where several of us meet informally (the Clubhouse is centrally located and allows for better reception).

Date & Time: Every Monday @ 4pm (concludes by 4:10pm)

Location: Your Rig (or join us in the Clubhouse Dining Room)
