In Case You Missed It: Let's Roast Jackie Deal!

Last Friday's Social Hour roasting Jackie Deal was a huge success, bringing together over 40 friends for an hour of humor, fond memories, and heartfelt appreciation.

Jackie was playfully teased about her deadly volleyball skills and received the beachball as a commemorative trophy. Several attendees shared stories of her knack for "voluntelling" others—convincing them they had already signed up for tasks before they even knew it.

Her reputation as a fast driver also made for some hilarious anecdotes!

Beyond the laughter, one sentiment rang true—Jackie is deeply missed. Her impact on the Timber Valley community is undeniable. While we loved roasting her, the afternoon was really a celebration of the incredible person she is.

Rules and Regulations Reminder - Move Winter Extra Rigs to Storage by April 1

Spring is here! Second rigs we have kept on our lots for winter care must be moved to storage by April 1. Why do we see second, small rigs on some lots year round?...

From the Rules and Regulations (on the Members Only page):

VEHICLES:

3. Two (2) private passenger non-commercial motor vehicles plus an RV are permitted per lot. Only ONE INHABITED RV per lot is allowed. A small, uninhabited RV may be kept on a lot if it is used as means of transportation. A small RV not to exceed twenty-three (23) feet long may be kept on a lot if it is used as daily (or weekly) transportation. A second recreational vehicle will be allowed on the lot from November 1st to April 1st for winter care. It is not to be occupied and should be parked so that it does not obstruct the neighbor's view. Also, an uninhabited RV is allowed on the lot for a maximum of 48 hours, in any seven (7) consecutive days, for the purpose of loading and unloading contents. Members may have additional time to have an extra RV on the lot, but Manager's permission must be obtained first. (07/28/92; 05/07/93; 05/12/93; 12/17/96; 03/12/09; 05/12/11)

Stay Safe! Join us Every Monday 4pm for the Weekly Radio Roll Call!

Tune in to FRS/GMRS Channel 6 every Monday @ 4pm to stay in the Emergency Preparedness loop!

The check-in lasts only 10 minutes! Feel free just to listen in if you are more comfortable doing so.

What occurs during the radio roll call? The Block Captains/Co-Captains on each street report their member/renter count, all others are then asked/welcome to check-in, and then participants present any announcements they may have.

Our Block Captain/Co-Captain system helps keep everyone safe in an emergency—and it works best when we all participate! Our recent rainstorm and previous power outage in freezing temperatures, reminds us that staying connected with our block neighbors and using our FRS/GMRS radio can make a big safety difference.

Have fun on your block! The Hummingbird Team celebrates holidays each month by delivering gift bags with treats and safety information to each lot on their block.

March was a festive St. Patrick's Day full of safety info, socializing, and fun!

In this photo, Hummingbird Team Jane, Dar, Georgia, Sharon, and Vanessa 🐾 (with Rachael behind the camera) are having fun visiting and sharing safety tips and a gift bag with Genevieve, and admiring her festive holiday spirit and decorations!

Thank you Jill for letting us borrow Vanessa to join the fun!
