Committee Meetings

Thursday April 17 @ 10 am –Open Board Meeting

Social Hour - Friday April 18 @ 3pm - Dining Room

Join us for our weekly Social Hour and enjoy camaraderie, snacks, wine, and learn what the Family Development Center is all about.

Timber Valley Rules and Regulations

From the current Storage Area Rules and Regulations: (1/1/2023)

Members and Eligible Renters are responsible for keeping their storage lot in acceptable condition, including weed control and other maintenance and are expected to arrange for care and maintenance while out of the Park.

The stored items must fit within the storage boundaries.

Members may only store their own items on their assigned storage lot(s).

Timber Valley Radio Check

Our Emergency Preparedness Committee needs some help. And it's NOT hard! The core of Emergency Preparation is our organization of the "blocks" here at Timber Valley.

Did you know we have a radio check every Monday at 4pm? This is open to everyone, Members, and Guests alike because an emergency affects everyone. This "radio check" lasts about 10 minutes. All you do is turn on your Family Radio Service (FRS) radio to channel 6. If you do not feel comfortable talking, just listen.

FRS radios do not require a license. GMRS General Mobile Radio Service radios do require a license. Some Members use these and will respond with their call signs which is required with these radios. This radio check is when the various blocks report the occupancy of Members and Renters and helps to maintain a functional system for communication in an emergency. There are general announcements about park activities. If you are a Block Coordinator and in need of a radio contact Dick Shanahan, Emergency Preparedness Chair.
