Missing from the Clubhouse

There were 3 large silver fans in the Clubhouse. We looked for them when we set up for the Annual Meeting and could only find 1. If anyone knows what happened to the other two, please return them.

The Welters did it again. Yes, that's correct, the three located MR. GOBBLE.

They located our TV Turkey, in the bushes outside the clubhouse on Wednesday, July 16th.

The location was challenging, but Debbie was diligent in her search!

Mr. Gobble will go into hiding again mid-August.

Watch the TV Log and website posting for the mid-month day when Mr. Gobble will be out and about.

Please Help Keep Our Online Park Calendar Current!

Submitted by Rachael Smithey

Thanks to everyone for signing up for the 2025-2026 committees/teams! This is a friendly reminder to all activity and committee/team sponsors to please make sure your events and meetings are up to date on the online Timber Valley calendar. This helps everyone stay informed and avoids scheduling conflicts.

Comm Comm teams (including website, weekly Log newsletter, and Readerboard sign in front of the park) rotate tasks, and we rely on the park online calendar to communicate "what's on" in the park.

If your activity/meeting date or time changes, please update it promptly. You can do so on the website (timbervalley.skp.com) under **Room Reservations/Calendar Updates** on the right side navigation bar. **Calendar Expert Rob H.** will update accordingly. Thank you!
