Veterans Day is recognized as a federal holiday on **November 11th** to honor all who have served in the U.S. Armed Forces, both living and deceased, with a particular focus on thanking living veterans for their service and sacrifice during wartime or peacetime.

November 11 is significant because it marks the anniversary of the armistice that ended World War I. The original name, Armistice Day, commemorated the signing of the peace treaty at 11 a.m. on November 11, 1918. The holiday was later expanded after World War II to honor all U.S. veterans, becoming Veterans Day in 1954

This Waterfall reminds me of the Young River Falls just south of Astoria.
A great place to visit.
