Memorials

Service in May for Norm Sherman May 13th at 3 pm

Discussion to determine if Jacks & Jills will provide decorations and at what cost.
His caregiver, Tami, wants to do a finger food type potluck

Sunshine group is handling the memorial coffee, cake punch and will meet with Tami to determine how the sunshine group can help out. If kids will be attending, we could have cookies too.

Peggy mentioned that Ken suggested we donate to Camp Millennium. They gift summer camp experiences for kids . Perhaps we could give a donation to this organization. We can keep this in mind for the future,

Here's some information

Camp Millennium is a 501(c)(3) nonprofit in Southern Oregon providing free, week-long residential summer camps for children (ages 5-16) with cancer, their siblings, or children of parents in active treatment. The program includes activities like swimming, archery, and horseback riding to provide support and joy to families facing cancer.

Announcements/Upcoming Events

Donuts and Coffee renamed The Rick DeYoung Coffee Club

Income \$21.00

Ballot Box:

We have a ballot box for the first citizens. Stuff the box!

New Business

City Wide Yard Sale June 6th

Do we want to do one central sale by the dog park, individual and or club house.

We need to make a decision next month

Garden club will have a yard sale on Jills lot

Suggestions were made to continue to have lot yard sales but we don't need maps to hand out. Most people just go up and down the streets looking for lots that have stuff on it.

Further discussion next month about whether to have a J & J sale in the clubhouse or down by the dog park

Easter celebration:

Some discussion on logistics it's only a couple of weeks and with people having plans. This will be tabled for next year allowing more time to plan.

Grill

Cathey stated the grill is being left dirty after use. Whomever uses the barbecue is responsible for cleaning it after. There is a new cover on it compliments of the Perry's. Looks wonderful 

Joy suggested adding this to the Jacks and Jill's guidelines. Robin will create and give to Chris.

Robin will create a post and will send it to the Timber Valley Log and website. Robin will take care of

Jill suggested a sign reminding people to clean the grill. Here's a sample we could consider

Raffle Easter baskets to raffle off

Joy had a question. Should we continue as we are just breaking even? We would like to encourage people to come to the meetings. This can be revisited if we start losing money. Perhaps when the snowbirds come back we will see more participation and interest.

Basket winners were:

Cathey Johnson

Sharon Elliot

Homecoming for Snowbirds:

Discussion around homecoming ideas for the snowbirds Chris would like to do a homecoming dance maybe the middle to the end of May.

Peggy said that dancing doesn't seem that popular. Eating seems to be more popular. Maybe a band to play music or someone to entertain? The Eagles are local. Eric will find out how much and their availability.

Cathey Perry will also check on music. Lots of ideas we can explore further next month. Chris will check dates and let us know.

Meeting adjourned by Chris at 1:53 pm
Patty makes a motion to adjourn Peggy seconded
