Timber Valley Alert System Testing Schedule

Brought to you by your Emergency Preparedness Committee

We use our Timber Valley Alert System to send park-wide text and email alerts when urgent information needs to reach members quickly.

Not signed up yet? Instructions are on the *Members Only* page. It only takes a minute and helps you stay informed when it matters most.

Testing schedule update: We now send test alerts **quarterly** (instead of monthly).

- Last test: April 2
- Next test: July 1

As always, we'll include a lighthearted quote or joke with each test alert...something to make you smile while we test the system!

In case you missed the Timber Valley Alerts test for April: "I went to a restaurant that serves breakfast at any time, so I ordered French toast during the Renaissance."
