New Park Record for Packages Received!

Submitted by Kim and Sara

September 8, 2026 set a new Park record of packages received. The USPS delivered a whole truckload, literally the entire truck!

Needless to say, we were overwhelmed at first, but we trudged through, sorted, stacked and delivered around 200 packages plus totes of mail.

We hope you get a chuckle from this photo. We can only guess what the holidays will be like.

Bring it on!

Labor Day Festivities

Submitted by Karen Hofferber

Thank you to all that took part in the Labor Day festivities! There are many pieces that make an event succeed and Rhonda & I appreciate ALL of your help!

Our afternoon started off with our "World Series of Beanbag Baseball game," hosted by our own Crazy Ron the Umpire and Carolyn Pennington. The women came to play.... The "Darling Dolls" started scoring right off the bat (ha ha), and continued each inning. They left the men in the dirt, winning 16 to 7!

We had about 70 people for our hickory smoked baked potato dinner. "The Potato Squad" did a terrific job baking, selling and serving the potatoes. The squad includes Ray and Janice Vaughn, Mary Regan and Dana McHugill. As usual we had a wide variety of potato toppings brought by all.

We appreciate Cindy Banta selling the 50/50 tickets and congratulations Lindy Klein that won the 50/50 draw. The fundraiser for the Food Bank was \$100, including the 50/50 plus additional donations.

Again, thank you to all that helped make our day fantastic!

Emergency Prep This Week: Your Phone Is at 5%

Brought to you by Your Emergency Preparedness Committee

The power is out and your phone battery says 5%. How long can you make it last?
Think about what you really need your phone for during an outage and what can wait.

Something to try: Find the battery-saving or low-power setting on your phone now, while you have plenty of power.

This may not be the best time to see what's happening on Facebook.
