A heartfelt message from Ann David 💕

Dear Timber Valley Family,

I want to express my deepest, most heartfelt gratitude to everyone in our wonderful community for the overwhelming outpour of love following the passing of my husband, Hank.

We truly are like one big family here, where everybody takes care of everybody. During one of the darkest times of my life, that family bond has been my steady strength. Thank you from the bottom of my heart for every single warm hug, beautiful card, and lovely floral arrangement you sent to honor Hank's memory.

Knowing that Hank was loved by so many, and feeling your strength surrounding me, has brought me immense comfort. Because of the incredible love and support you have shown me, I want you all to know that I fully intend to stay right here. There is no place I would rather be. Timber Valley is a wonderful place to call home.

With all my love and appreciation, Ann David Lot 186

Emergency Prep This Week: Where Are Your Keys?

From your Emergency Preparedness Committee

There's an evacuation notice and you need to leave quickly.

Where are your keys?

Rig keys, vehicle keys...whatever you might need shouldn't require a search during an emergency.

This week's activity: Pick one consistent place for the keys you'd need to evacuate. Then see if you could find them in the dark.
